To Assist First Nations Youth With Post-Secondary Education Costs

The Shannen's Dream Scholarship is made possible by a generous donation from EdTech company Top Hat and Caring Society donors!

ABOUT SHANNEN'S DREAM The Shannen's Dream Scholarship is named in honour of Shannen Koostachin, a courageous young leader from Attawapiskat First Nation who sparked a national movement for safe and comfy schools for First Nations students. Shannen and her classmates never had the chance to go to a real school. The only school in Attawapiskat was closed because of a diesel fuel leak in 1979 that poisoned the land under the school building. In 2007, after the government again cancelled plans for a new school in Attawapiskat, Shannen and her friends started a movement on Facebook and YouTube to tell people about the government's broken promises. They asked kids across Canada to support them by writing letters to the government demanding good schools for First Nations children. Sadly, Shannen passed away in 2010 and never saw the new school that was finally built in Attawapiskat in 2014. The Shannen's Dream campaign is about making sure First Nations students have safe and comfy schools that provide quality and culturally based education. In 2012, a Private Member's motion in support of Shannen's Dream passed unanimously in the House of Commons, but First Nations education is still underfunded by the federal government compared to provincial and territorial schools. INFORMATION AND ELIGIBILITY

The Shannen's Dream Scholarship is an award to assist First Nations youth with post-secondary education costs (university, college, trades). As a "pay-it-forward" scholarship, winners must make a fair and measurable contribution to the Shannen's Dream campaign or related First Nations initiative as a condition of receiving the award. Examples of this could include coaching youth sports, doing a presentation about Shannen Koostachin and Shannen's Dream, starting a club at your school to learn more about equity, etc.

Pay-it-forward does not mean a financial contribution back to the scholarship. The scholarship is open to First Nations youth who meet the following eligibility criteria:

- Age 30 years old or under.
- Must be enrolled in a post-secondary program (university, college or trade school) and returning for the Fall 2026 semester.
- Consideration criteria: (1) the recipient contributes to their First Nations community (urban or rural), (2) demonstrates academic or extra-curricular accomplishments at school, such as taking part in clubs or sports teams.
- "Pay-it-forward" requirement: The recipient agrees to make a fair and measurable contribution to Shannen's Dream or a related First Nations initiative as a condition of the award. The recipient must agree to provide the scholarship committee with details of their contribution within one year of receiving the award.
- This is a one-time award not renewable to past recipients.
- Financial need will be considered.
