Dear Mr. Adzic:

Re: First Nations Child and Family Caring Society v. Canada, Tribunal File T1340/7008

Our client Chiefs of Ontario is in receipt of the clarifications sent by Canada with regard to additional information after the federal budget was announced. We have also reviewed the submissions of the First Nations Child and Family Caring Society and agree with the FNCFCS's submissions. As noted by FNCFCS, Canada's recent submissions provide insufficient detail about Canada's proposed immediate relief with respect to Ontario First Nations which permit additional comment by COO. Our client also urges the Tribunal to issue orders for immediate relief based on our client's prior submissions, and to remain seized of the matter.

Should you have any questions about any of the above please do not hesitate to contact the undersigned.

Yours truly,

Olthuis, Kleer, Townshend LLP
