Dear Sir:

Re: FNCFCSC et al. v. Attorney General of Canada (Tribunal File T1340/7008)

Yesterday evening's edition of CBC's "The National" included the following report from Peter Mansbridge: "*The Liberal government will not appeal a human rights ruling which found the government discriminated against Aboriginal children for decades. The Justice Department has confirmed the decision to CBC News.*"

The Caring Society requests written confirmation that Mr. Mansbridge's report was accurate, and that Canada will not seek judicial review of the Canadian Human Rights Tribunal's January 26, 2016 decision on the merits of this matter.

Yours truly,
