

Join us in hosting our very own Have A Heart Day!

“Have a Heart Day is a child and youth-led reconciliation event that brings together caring Canadians to help ensure First Nations children have the services they need to grow up safely at home, get a good education, be healthy, and be proud of who they are. Last year more than 700 students from 20 different schools, as well as hundreds of other supporters, gathered on Parliament Hill to promote love and fairness for First Nations children in celebration of Have a Heart Day. Have a Heart Day on Parliament Hill was supported by more than 70 events and at least 6500 Valentines letters were sent to elected officials across the country!”
